● Poor ● Average ● Good ● No Data Available

Equifax Tips for Action

LEGAL ACTIONS

This business has a legal action recorded, which means they may not have paid a creditor in the past. This can be an indication of an inability to pay invoices. Ask the business for more information about the legal action before offering credit terms.

CREDIT HISTORY

This business has a debt collector enquiry, which means they may not have paid a creditor in the past. This can be an indication of an inability to pay invoices. Ask the business for more information about the debt collection before offering credit terms.

EXTERNAL ADMINISTRATION

This organisation is reported as being in External Administration. This means that external agents have been appointed to liquidate the organisation's asset. You may wish to reconsider trading, or reconfirming the organisation's details. Options that may assist managing the risk of doing business with this organisation could be; shorter payment terms, cash on delivery, or requesting a deposit.

INVOICE PAYMENT HISTORY

Our records show this business is a slow payer. By offering tighter credit terms, such as 7 days, can encourage faster payment.
